PRESIDENT'S MESSAGE

I am excited to introduce our first **NAWIC Weekly Update**

We hope you will enjoy our Thursday updates and find them informative and convenient. In this world of constant communication, and due in large part to the constant communication, we still miss things and sometimes important things. We are going to try to cut down on the "e-blasts" that are sent. It has become too overwhelming to send and receive as much communication as we have. Communication is a wonderful thing but needs to be used wisely. In order to make this work we need everyone to feel comfortable submitting information to be circulated. Please continue to send your announcements to the corresponding officer. Unless urgent, the announcement will be held until Thursday when all correspondence will be consolidated and sent in one email. Please include the following in your announcement: who, what, when, where and why. Please feel free to contact me if you want to discuss any questions or concerns.

As the Fall season is upon us, I hope we can reflect on the changing of the seasons as a fresh start. As each season begins it overlaps and blends with the previous one. As we are beginning our new NAWIC year, we are overlapping and blending the previous and the new. We have overcome many challenges and we will rise to overcome more. We are a powerful group of women. WE can do whatever we set our mind to. I'm proud of how we have handled the cards we have been dealt. I am grateful that we are a team that supports and lifts each other up. To that end, I quote Roy T. Bennett, "Always find opportunities to make someone smile, and to offer random acts of kindness in everyday life."
